(C)

1. Lifeline Assistance (Cont'd)

b. Regulations (Cont'd)

4. Each subscriber to Lifeline Assistance must certify in writing to the Company, under penalty of perjury, that s/he receives benefits under a program outlined in sub-paragraphs (b)(1) through (b)(3), above, and must, on that same document, agree to notify the Company if s/he ceases to participate in the program(s). The certification form shall conform to the requirements described herein, and shall be made available upon request to any subscriber. The Company shall retain all such subscriber certifications in order to furnish proof of subscriber eligibility as may be required from time to time by Universal Service administrators.
5. A subscriber may elect at the time of subscription to Lifeline Assistance to receive toll limitation as part of Lifeline Assistance. "Toll limitation" is a service that allows a subscriber to elect not to allow the completion of outgoing toll calls from the subscriber's residence.
6. Lifeline Assistance will not be disconnected for non-payment of toll charges, unless the Company first demonstrates to the Commission that the Company would incur substantial costs, that the Company offers toll limitation without charge, and that telephone subscribership among low-income subscribers in the Company's service area is greater than or equal to the national subscribership rate for low-income consumers. For purposes of this paragraph, a "low-income consumer" is one with an income below the poverty level for a family of four residing in Georgia. The Company shall follow all applicable notice provisions as established, from time to time, by the Commission, as part of the waiver process, and to implement a waiver, if granted. The Company may reapply for the waiver as necessary.
